Don't dye, but use a bottle or two of that incomparable article known as Nature's Hair Restorative. It makes the head feel so good. Sold everywhere. See advertisement.

Mr. Renne claims that the name "Magic Oil" is his "trade mark," and that all persons who use that name for a medicine do so at their peril, as much as though they stole any other property of his, besides their extra measure! The genuine Renne's Pain-Killing Magic Oil is what the people want and will have.

**PURE STARCH.**—When starch is pure, it is free from sourness and is purely white. Inferior starch has a golden or yellow tinge, the color of flour, indicating the presence of gluten (a color not desirable in one's linen), or is sour and musty. It is abundant for the laundress to cleanse and bleach and then dissolve linen with impure golden or yellow starch. Dyeing "Satin Gloss Starch" is snow white, perfectly pure, and the most economical starch known.

**INDISCREET BREAD.**—The reason why those baking powder in the market adulterated with Alum, Chlor, Earth, and other substances make bread and biscuits very indigestible, is because they harden the gluten of the wheat and render it less soluble. Now this is not the case with Dr. Price's Cream Baking Powder; its purity and perfect combination enables it to render all articles easy of digestion, besides preserving their natural taste. Those who have not should test them, as also his elegant Special Flavorings, so strong, so pure, so true.

**HENDERSON'S BUCHU.**—The great diuretic and unfailing remedy for all diseases of the Kidneys and Bladder, also for Dyspepsia or Indigestion, Flatulency, or Wind in the stomach. The most distressing cases of Female Weakness and Uterine Complaints are permanently cured by Henderson's Buchu. It is unequalled by any known remedy for the cure of Dropsy, Gravel, and all Gouty and Rheumatic affections. It is a specific remedy for expelling all Pain and Tape Worms. It is prescribed by eminent physicians in Chronic Affections of the Liver. For sale by all druggists. See advertisement in this issue.

**THE BEST TONIC OF IRON.**—Phosphorus and Calcein, known as Ferro-Phosphated Elixir and Calcein BARK. The iron restores color to the blood, the phosphorus renews waste of the nerve tissue, and the calcein gives a natural, healthy tone to the digestive organs, thereby curing dyspepsia in its various forms; wakefulness, general debility, depression of spirits; also, the best preventive against fever and ague. One pint contains the virtues of one ounce of calcein, and one teaspoonful a grain of iron and phosphorus. Manufactured only by Caswell, Hazard & Co., successors to Caswell, Mack & Co., New York. Sold by druggists.

**THE CULTURE OF THE HAIR.**—Just as surely as a soil infested with Canadian thistles can be made to produce fine crops of golden grain, the scalp now scarcely covered with harsh, dry, unmanageable hair can be made prolific of silken tresses. All that is necessary to effect the change in either case is the right kind of fertilizer. Leaving the agricultural chemists to determine how the barren land shall be made fruitful, we positively assert that Lyon's Katalin is unequalled as a hair fertilizer and beautifier of the hair. Twenty-five years of success is the basis of this unqualified statement. During that time it has been used by many millions of both sexes, and the first instance in which it has failed to fulfill the expectations of a rational purchaser has yet to be discovered. It will not cause hair to grow on a balding scalp, but wherever the roots of the hairs flourish, it will undisturbed it will cause them to put forth new shoots, and in all cases where the hair has become thin it will increase its volume.

**KUNKEL'S BITTER WINE OF IRON.**—Kunkel's Bitter Wine of Iron is guaranteed to cure the worst case of dyspepsia, liver complaint, jaundice, chronic or nervous debility, disease of the kidneys, and all diseases arising from a disordered liver and stomach, such as fullness of blood to the head, acidity of the stomach, nausea, disgust for food, fullness or weight in the stomach, sinking or flatulency at the pit of the stomach, swimming of the head, hurried or difficult breathing, fluttering at the heart, choking or suffocating sensations when in a lying posture, dimness of vision, yellowness of the skin, and for purifying the blood and building up the system in general.

Price of the Bitter Wine of Iron, \$1.00, every bottle guaranteed, or the money refunded. Beware of counterfeits, buy only Kunkel's, take no other; it is wrapped in a yellow wrapper around, with the proprietor's photograph on. All other is counterfeit. Depot 259 North Ninth street, below Vine, Philadelphia. (Go there, advice free.) 10-21d&w.

For sale in Rock Island by Smith & Bonney, and John Bengtson.

Special to the Rock Island Argus.

St. Louis, Dec. 5.—The elections in this State voted, to-day, for President, as follows: B. Gratz Brown, 8; Thomas A. Hendricks, 6; David L. For Vice President, Brown, 6; Julian, 5; Palmer, 3; Groesbeck, 1.

There was a large fire last night, corner of Second and Pine streets—loss \$30,000 to \$40,000. Small insurance.

Some fifteen frame buildings at East St. Louis burned yesterday. Loss \$25,000 to \$30,000. Mostly insured in this city and Philadelphia.

There is very little of interest transpiring in Congress to-day.

Thus far we have had very few cases of epilepsy, and they have been very mild. The disease seems to be losing its terrors.

**NEW YORK, Dec. 4.**—The distribution of tickets for admission to Greeley's obsequies was made at the Central Union chamber this morning to the distinguished persons determined upon, President Grant's ticket being sent to him at the hotel, and thereafter, at about 10:30 o'clock, the party took carriages and left for the church, according to programme.

The number of applicants for tickets of admission to witness the funeral services at Dr. Chapin's Church was enormous. The church accommodates 1,800 persons in all. Many prominent persons had been invited, and the list of names was long.

The church was filled with people, and the service was a grand one. The music was beautiful, and the prayers were impressive.

The funeral procession started from Dr. Chapin's house on 45th street, and proceeded to the church. The cortege was magnificent, and the people lined the streets to see it.

The National Democratic Committee have issued an address containing a tribute to the memory of Mr. Greeley. Numerous clubs, organizations, yesterday passed resolutions appropriate to the sad event.

The Herald proposes a press fund for the endorsement of the children of Mr. Greeley, and offers one thousand dollars as its own fund to the subscription.

Dispatches from New Orleans, San Francisco, and many cities in the New England States, say that flags were placed at half-mast, bells tolled, and appropriate services held to-day in memory of Mr. Greeley.

KANSAS, Dec. 4.—Judge Wood decided the case of Stephen R. Moore vs. the Illinois Central Railroad Company this morning. The question involved is the constitutionality of the law fixing the rates of passenger tariff. Judge Wood holds that the people in their sovereign capacity have no right by a constitutional provision to pass the law, but that the Legislature has the right to pass the law, and that the people in their sovereign capacity have no right to interfere with the rates and tariff are interfered with; and the charter is a contract with the State, beyond the control of the Legislature, and that the road may charge what it pleases provided it is not extortionate or unreasonable, and this must be determined in each case when a party is aggrieved, and is wholly a judicial question, not a legislative one.

The plaintiff has appealed the case to the Supreme Court, and has asked for a much unfavorable comment among the people.

From the Chicago Press, Dec. 4. (Grant paper.)  
**The Living Ace Kicks the Dead Lion.**  
The ineffable mean action of Mr. Cameron in the Senate yesterday, preventing, by a parliamentary trick, the adjournment of that body until noon, has raised Mr. Greeley's memory, will challenge nothing but universal contempt. As a specimen of revenge, it is without a parallel in American history. As an example of the baseness of manhood, it is without precedent in civilized society. As a stroke of party wisdom, it should never be imitated. An event over which a nation's honor is at stake, and respect for which a nation's Senate could well sacrifice a few hours that would, at this stage of public business, be devoted to the consideration of the most important of the nation's affairs, is a disgrace to the Senate, and a disgrace to the nation.

Mr. Lincoln's deceased Secretary, Mr. Cameron, is a man to whom a tribute from the nation is due. He was a man of great ability, and a man of great courage. He was a man who was not afraid to stand up for his principles, and a man who was not afraid to sacrifice his life for his country.
